

EdTech Innovation Fellowship

Developing next-generation leaders who will reimagine solutions to society's most challenging problems

EdPlus seeks to increase student success and reduce barriers to achievement in higher education through an ongoing commitment to current and future digital learners. The EdTech Innovation Fellows at EdPlus are tasked with advancing ASU's most innovative projects toward those goals.

EdTech Innovation Fellows can expect to....

Experience a Wide Breadth of Responsibilities

Fellows will experience all nuances of digital initiatives, from facilitating big-picture design sessions to organizing complex workflows. Working at the intersection of departments, enterprise units, universities, and industry.

Leverage Skill Sets within an Innovative Culture

The skill set of each Fellow is highly complementary to the EdPlus team. Throughout the experience, Fellows will utilize existing knowledge with new opportunities to expand to new areas of growth within EdPlus.

Create & Implement New EdTech Initiatives

Fellows have the unique opportunity to meet and network with a variety of university leaders. Fellows utilize their role to provide recommendations and cultivate effective educational initiatives at unprecedented levels.

Influence the Future of Education at Scale

Fellows will have the opportunity to work on multiple, high-priority projects for ASU that have far-reaching impacts. Fellows will influence the trajectory of these projects and help expand these opportunities to new audiences.

Successful Fellows are:

- ✓ **Adaptable** and comfortable with ambiguity.
- ✓ **Analytical, critical thinkers** who are able to articulate complex ideas, projects, and concepts with confidence.
- ✓ **Self-starters** who can initiate new projects while engaging and collaborating with diverse stakeholders.
- ✓ **Curious** and **eager** to learn and take on new challenges.

Ideal fellows are interested or experienced in one or more of the following fields:

- Project Management
- Business Analysis
- Research
- Instructional Design
- Other related field

The EdTech Innovation Fellowship is a 13-month, full-time position (40+ hours per week) with a competitive salary. University benefits include health insurance, generous vacation and sick leave, paid holidays and reduced tuition.
